Re: FPPC File No. 09/902; Alberto Torrico

Dear Assembly Member Torrico:

On December 16, 2009, the Enforcement Division of the Fair Political Practices Commission sent a letter to you alleging that you failed to disclose certain gifts on your 2008 Annual Statement of Economic Interests. We have now received your response.

In our letter, we advised you that you failed to disclose an alleged gift of dinner from the Pechanga Band of Luiseno Mission Indians and two tickets to the Neal Diamond Concert from AT&T. In your response of December 22, 2009, you advised us that you did not partake of food or beverage at the event by the Pechanga Band of Luiseno Mission Indians and provided a copy of a letter advising them of that fact. You also indicated that the tickets to the Neal Diamond concert were provided by AT&T to your family members. You also indicated that you are aware that the regulation addressing gifts to members of your immediate family has been amended and that in the future, certain gifts to members of your immediate family will be deemed gifts reportable by you. (Regulation 18944.)

Based on your explanation, we are closing this case with no further action. If you have any questions, you may contact me at (916) 322-8194.

Sincerely,
